**Subject:** SLO Coverage for next month

Hello, Due to Deployment needs, a decision was made to return all harvested bodies back to patrol. This was due to the number if people off on leave and vacations. This included the acting SLO's you have been seeing due to SLO Flores being off. Diring the next month, I will be handling your area and farming out any issues I can not handle to other SLO's, which will be few. I anticipate returning a person to the acting SLO position at the end of January. Call/ text or email me anytime. Take care, Mike
